

## Purchase Order Terms and Conditions

Each Purchase Order placed by buyer for goods and/or services is subject to these standard purchase terms and the terms of the applicable Purchase Order and is conditional upon Supplier's agreement to such terms. Supplier shall be deemed to have agreed to be bound by such terms by accepting the Purchase Order, delivering the goods, and/or performing the services.

  - i. "Services" means any services to be provided by Supplier to Buyer pursuant to a Purchase Order.
  - j. "Specifications" means the requirements, attributes and specifications for the Goods or Services that are set out in the applicable Purchase Order. Specifications also include: (a) documentation published by Supplier relating to the goods or services; (b) operational and technical features and functionality of the goods or services; (c) standards or levels of service performance for services; and (d) Buyer business requirements that are expressly set out in a Purchase Order.

2. **Agreement.** The Agreement consists only of: (a) these standard purchase terms; (b) the applicable Purchase Order; and (c) any specifications or other documents expressly referenced in the Purchase Order. Any reference in the Purchase Order to any supplier proposal is solely for the purpose of incorporating the descriptions and specifications of the goods and/or services contained in the proposal, and only to the extent that the terms of the supplier proposal do not conflict with the descriptions and specifications set out in the Purchase Order. Buyer's acceptance of, or payment for, goods and/or services will not constitute Buyer's acceptance of any additional or different terms in any supplier proposal, unless otherwise accepted in writing by Buyer. If there is any conflict or inconsistency between the documents constituting the agreement, then unless otherwise expressly provided, the documents will rank in the order of precedence in accordance with the order in which they are listed in this Section 2.
3. **Delivery of Goods and Services.**
  - a. Supplier agrees to supply and deliver the goods to Buyer and to perform the services, as applicable, on the terms set out in this agreement.

4. **Inspection, Acceptance and Rejection.**
  - a. All shipments of goods and performance of services shall be subject to Buyer's right of inspection. Buyer shall have **ninety (90) days (the "Inspection Period")** following the delivery of the goods at the delivery point or performance of the services to undertake such inspection, and upon such inspection Buyer shall either accept the goods or services ("**Acceptance**") or reject them. Buyer shall have the right to reject any goods that are delivered in excess of the quantity ordered or which are damaged or defective. In addition, Buyer shall have the right to reject any goods or services that are not in conformance with the specifications or any term of this agreement. Transfer of title to Buyer of goods shall not constitute Buyer's acceptance of those goods. Buyer shall provide Supplier within the inspection period notice of any goods or services that are rejected, together with the reasons for such rejection. If Buyer does not provide Supplier with any notice of rejection within the inspection period, then Buyer will be deemed to have provided acceptance of such goods or services. Buyer's inspection, testing, or acceptance or use of the goods or services hereunder shall not limit or otherwise affect Supplier's warranty obligations hereunder with respect to the goods or services, and such warranties shall survive inspection, test, acceptance and use of the goods or services.
  - b. Buyer shall be entitled to return rejected goods to Supplier at Supplier's expense and risk of loss for, at Buyer's option, either: (i) full credit or refund of all amounts paid by Buyer to Supplier for the rejected goods; or (ii) replacement goods to be received within the time period specified by Buyer. Title to rejected goods that are returned to Supplier shall transfer to Supplier upon such delivery and such goods shall not be replaced by Supplier except upon written instructions from Buyer. Supplier shall not deliver goods that were previously rejected on grounds of non-compliance with this agreement, unless delivery of such goods is approved in advance by Buyer, and is accompanied by a written disclosure of Buyer's prior rejection(s).
5. **Price/Payment Terms.** Prices for the goods and/or services will be set out in the applicable order. Price increases or charges not expressly set out in the Purchase Order shall not be effective unless agreed to in advance in writing by Buyer. Supplier will issue all invoices on a timely basis. Buyer shall have the right to withhold payment of any invoiced amounts that are disputed in good faith until the parties reach an agreement with respect to such disputed amounts and such withholding of disputed amounts shall not be deemed a breach of this agreement nor shall any interest be charged on such amounts. Notwithstanding the foregoing, Buyer agrees to pay the balance of the undisputed amounts on any invoice that is the subject of any dispute within the time periods specified in the payment terms noted on the Purchase Order.
6. **Taxes.** Unless otherwise stated in a Purchase Order, all prices or other payments stated in the Purchase Order are exclusive of any taxes. Supplier shall separately itemize all applicable taxes each on each invoice and indicate on each invoice its applicable tax registration number(s).

## Purchase Order Terms and Conditions

Buyer will pay all applicable taxes to Supplier when the applicable invoice is due. Supplier will remit all applicable taxes to the applicable government authority as required by applicable laws. Notwithstanding any other provision of this agreement, Buyer may withhold from all amounts payable to Supplier all applicable withholding taxes and to remit those taxes to the applicable governmental authorities as required by applicable laws.

7. **Hazardous Materials.** Supplier agrees to provide, upon and as requested by Buyer, to satisfy any applicable laws governing the use of any hazardous substances either of the following: (a) all reasonably necessary documentation to verify the material composition, on a substance by substance basis, including quantity used of each substance, of any goods, and/or of any process used to make, assemble, use, maintain or repair any goods; or (b) all reasonably necessary documentation to verify that any goods and/or any process used to make, assemble, use, maintain or repair any goods, do not contain, and the services do not require the use of, any particular hazardous substances specified by Buyer.

Buyer may object to any of the Supplier's personnel engaged in the performance of services who, in the reasonable opinion of Buyer, are lacking in appropriate skills or qualifications, engage in misconduct, constitute a safety risk or hazard or are incompetent or negligent, and the Supplier shall promptly remove such personnel from the performance of any services upon receipt of such notice, and shall not re-employ the removed person in connection with the services without the prior written consent of Buyer.
  - c. **Intellectual Property Warranty.** Supplier further warrants to Buyer that at all times all goods and or services (including any deliverables) will not be in violation of or infringe any Intellectual property rights of any person.
  - d. **Manufacturer Warranties.** Supplier shall assign to Buyer all manufacturer's warranties for goods not manufactured by or for Supplier, and shall take all necessary steps as required by such third party manufacturers to effect assignment of such warranties to Buyer.
9. **Warranty Remedies.**
  - a. In the event of breach of any of the warranties in Section 4 or 9.b, and without prejudice to any other right or remedy available to Buyer (including Buyer's indemnification rights hereunder), Supplier will, at Buyer's option and Supplier's expense, refund the purchase price for, or correct or replace the affected goods, or re-perform the affected services, within 10 day(s) after notice by Buyer to Supplier of warranty breach. All associated costs, including costs of re-performance, costs to inspect the goods and/or services, transport the goods from Buyer to Supplier, and return shipment to Buyer, and costs resulting from supply chain interruptions, will be borne by Supplier. If goods are corrected or replaced or services are re-performed, the warranties in Section 9.a will continue as to the corrected or replaced Goods for a further goods warranty period commencing on the date of acceptance of the corrected or replaced goods by Buyer. If Supplier fails to repair or replace the product within the time periods required above, Buyer may repair or replace the goods at Supplier's expense.
  - b. In the event that any goods provided by Supplier to Buyer are subject to a claim or allegation of infringement of Intellectual property rights of a third party, Supplier shall, at its own option and expense, without prejudice to any other right or remedy of Buyer (including Buyer's indemnification rights hereunder), promptly provide Buyer with a commercially reasonable alternative, including the procurement for Buyer of the right to continue using the goods in question, the replacement of such goods with a non-infringing alternative satisfactory to Buyer, or the modification of such goods (without affecting functionality) to render them non-infringing.
10. **Intellectual Property Rights.** All intellectual property rights in and to each deliverable shall vest in Buyer free and clear of all liens and encumbrances on receipt of payment by Supplier for each deliverable. To the extent that any deliverables contain any intellectual property of Supplier, Supplier hereby grants to Buyer a worldwide, royalty-free, non-exclusive, perpetual license to use, copy, modify and distribute such intellectual property as part of the deliverables. Supplier agrees to provide to Buyer all assistance reasonably requested by Buyer to perfect the rights described herein, including obtaining all assignments and waivers of moral rights necessary or appropriate to vest the entire right, title, and interest in such materials in Buyer and its successors and assigns.
11. **Confidentiality.** Supplier shall safeguard and keep confidential any and all information relating to Buyer obtained by it or provided to it by Buyer in connection with this agreement and shall use such information only for the purposes of carrying out its obligations under this agreement.
12. **Insurance.** Supplier represents and warrants to Buyer that it has in place with reputable insurers such insurance policies in coverage amounts that would be maintained by a prudent supplier of goods and services similar to the goods and services provided hereunder, including, as applicable, professional errors and omissions liability insurance and comprehensive commercial general liability insurance (including product liability coverage, all-risk contractors' equipment insurance, and automobile liability insurance). In addition, Supplier will take out and maintain, at its own cost, such insurance policies and coverages as may be reasonably required by Buyer from time to time. Supplier will promptly deliver to Buyer, as and when requested, written proof of such insurance. If requested, Buyer will be named as an additional insured under any such policies. If requested by Buyer, such insurance will provide that it cannot be cancelled, or materially changed so as to affect the coverage provided under this agreement, without the insurer providing at least 30 days' prior written notice to Buyer.
13. **Indemnities.** Supplier shall indemnify, defend and hold harmless Buyer, its affiliates, and their respective officers, directors, employees, consultants, and agents (the "**Buyer Indemnified Parties**") from and against any claims, fines, losses, actions, damages, expenses, legal fees and all other liabilities brought against or incurred by the Buyer indemnified parties or any of them arising out of: (a) death, bodily injury, or loss or damage to real or tangible personal property resulting from the use of or any actual or alleged defect in the goods or services, or from the failure of the goods or services to comply with the warranties hereunder; (b) any claim that the goods or services infringe or violate the intellectual property rights or other rights of any person; (c) any intentional, wrongful or negligent act or omission of Supplier or any of its affiliates or subcontractors; (d) Supplier's breach of any of its obligations under this agreement; or (e) any liens or encumbrances relating to any goods or services.
14. **Limitation of Liability.** EXCEPT FOR SUPPLIER'S OBLIGATIONS UNDER SECTION 14, AND EXCEPT FOR DAMAGES THAT ARE THE RESULT OF THE GROSS NEGLIGENCE OR WILFUL MISCONDUCT OF A PARTY, IN NO EVENT WILL EITHER PARTY BE LIABLE TO THE OTHER PARTY OR ANY OTHER PERSON FOR ANY INDIRECT, INCIDENTAL, CONSEQUENTIAL, OR PUNITIVE DAMAGES, INCLUDING ANY LOST PROFITS, DATA, GOODWILL, OR BUSINESS OPPORTUNITY FOR ANY MATTER RELATING TO THIS AGREEMENT.
15. **Independent Contractors.** Supplier will perform its obligations under the agreement as an independent contractor and in no way will Supplier or its employees be considered employees, agents, partners, fiduciaries, or joint venturers of Buyer. Supplier and its employees will have no authority to represent Buyer or its affiliates or bind Buyer or its affiliates in any way, and neither Supplier nor its employees will hold themselves out as having authority to act for Buyer or its affiliates.
16. **Further Assurances.** The parties shall sign such further and other documents, cause such meetings to be held, resolutions passed and do and perform and cause to be done and performed such further and other acts and things as may be necessary or desirable in order to give full effect to this Agreement and every part thereof.

18. **Waiver.** No waiver of any provision of this agreement shall be enforceable against that party unless it is in writing and signed by that party.
19. **Assignment.** Supplier may not assign or subcontract this agreement, in whole or in part, without Buyer's prior written consent. Supplier's permitted assignment or subcontracting of this agreement or any part thereof will not release Supplier of its obligations under this agreement, and it will remain jointly and severally liable with the assignee or subcontractor for any obligations assigned or subcontracted. The acts of omissions of any subcontractors of Supplier will be deemed to be the acts and omissions of the Supplier. Buyer may assign this agreement, in whole or in part, to any affiliate of Buyer, without the consent of Supplier.
